WIFI, 3G**

Connectivity

Large Display

Move3500

Highest Security

The Move3500 is PCI-PTS 4.x ready. Its TELIUM Tetra OS uses the latest cryptographic schemes with future-proof key length.

All payment options

The Move3500 enables NFC couponing and wallet use cases, in addition to EMV Chip & PIN, swipe and contactless.

User-friendly and intuitive interface

Featuring a large 3.2-inch display, the Move3500 provides a seamless payment experience.

Designed for mobility

Designed for indoor and outdoor use, the pocket-sized Move3500 offers extended battery life. It is the perfect business companion for merchants.

Maximized network availability

In one single terminal the Move 3500 proposes a full spectrum wireless connectivity (with 3G, GPRS, Dual SIM, Bluetooth and WiFi) offering flexibility to merchant in the point of sale, while optimizing communication costs.

Seamless NFC payment

The Move3500 boosts NFC payment by offering to customers a seamless experience through a dedicated card-reader zone and faster transaction flows.

Secure payment from the TELIUM Tetra OS

Backed by 30 years of experience and with its user-friendly interface, the TELIUM Tetra Operating System embeds the best security mechanisms to protect transaction privacy and leverage Ingenico's unique portfolio of payment applications.

Eco-designed products

Ingenico Group follows a proactive eco-design policy. From design to production, market launch to recycling, we strive to minimize Ingenico's environmental footprint throughout product life cycles.
